The State of the 'Wood' address...

Westwood is celebrating its 60th Birthday in 2017.

Westwood is a 'Member Owned' Facility.

We are a 'not for profit' tax status corp.

These past 2 years Westwood has not met its goal.

Our existence is based on 500 family bonds.

We have barely hit the 400 mark these past 2 seasons.

That's over a 20%+ decline in members & budget

It's easy to understand the math, our future is in your hands.

We have been operating on an as per needs only type budget.

We will not be able to sustain the current facility unless we all work together to go out and sign up new families.

If 1 out of 4 current members signs up 1 new family, we achieve our goal of 500. If we meet our goal, the budget will once again be healthy and much needed improvements can be back on the drawing board.

We need your HELP!

This is our 60TH Birthday

We want to celebrate another 60 with all of you!
